## THE BOYS TAKE REGION 18 CHAMPIONSHIP

*Congratulations to the Tintic Miners Boys Basketball Team on their Second Region win.*

## Obituaries

### Dele Ruth Jones

82, of Lofgreen, Utah passed away peacefully and was reunited with her loved ones on February 9, 2013 surrounded by her family and friends. She was born July 15, 1930 in Francis, Utah to William and Alta Atkinson Jones.

Dele attended school in Francis and Eureka. She married Joseph L. Jones July 15, 1947 in

Salt Lake City and they celebrated 63 years of marriage. Together they had 5 children; Larry Jones, Lofgreen, Kathy (Dave) McOmie, Grantsville, Jeff Jones, Lofgreen, Sandra (Bill) Hansen, Eureka, and a son, Steven, who preceded her in death at an early age. Dele and her family lived in Mammoth, Magna and Vernon before permanently residing in Lofgreen for the past 40 years.

Dele dedicated her entire life to the love of her family and friends. She enjoyed traveling and the great outdoors including fishing, camping, hunting, dancing and horseback riding. She was an avid homemaker, seamstress and loved reading books and playing cards. Dele also owned/managed the Vernon Store for a short period of time, worked at Dugway Proving Grounds and was a CNA at the LDS Hospital.

Dele is survived by her four children, 11 grandchildren, 19 great grandchildren, a sister Mickey (Keith) Atherley, of Grantsville, and her loving dog "Sparky". She was preceded in death by her husband, Joe, son, Steven, her parents, Bill and Alta "Tone" Jones, and a sister, Jackie Larsen.

The family would like to extend a special thanks to those who made the many visits and phone calls during her illness, Dr. Holt for the many years of professional health care, and to the excellent care given by the staff of Vista Care Hospice and Parkway Health Center.

Funeral services will be held Wednesday, Feb. 13th at 11:00 am at the Vernon LDS Chapel. Viewings will be held Tuesday from 6 to 8 pm at the Brown Family Mortuary, 66 South 300 East, Santaquin and Wednesday from 10 to 10:45 am at the church prior to services. Interment,

### William Elmer Morris

Born April 4, 1926 in Eureka, Utah to Bill and Nellie Duncan Morris. He passed away February 18, 2013 at the Central Valley Hospital in Nephi surrounded by those that he laughed with, lived with, and loved.

After Bill graduated from Tintic High School in 1944 he was quick to join the military serving in the US Navy on the USS Tallage Destroyer during WWII. He enjoyed telling his family his "Navy stories" throughout his life. When he returned home he fell in love with Joan Dalton and they were married June 12, 1949. Later they bought a home on Church Street in Eureka where they raised their chil-

dren. Bill and Joan lived all their married life together in Eureka and 61 years in the same home.

In his earlier years he served as local union president of the United States Steel Workers. He was active in the local American Legion post, a life-long member of the Elks, and a member of the Senior Citizens of Eureka. He was a giving man and spent many hours earlier in his life helping the widows and those in need of help. Bill was a miner in the Tintic Mining District for many years. His knowledge of mining and the history of the Tintic Mining District were immeasurable. Many of his later years were spent at the Eureka Mining Museum where he would openly share his knowledge of the area and the local mines. Bill loved the outdoors and loved to hunt and fish. He had many wonderful memories of spending time outdoors with his family and friends. In his spare time he worked in his garage creating bird houses and many other things made from wood. He love to gather wild flowers from the hills and then try to plant them in the yard to enjoy in the spring. The front porch was one of his favorite spots, sitting there with a cup of coffee in the evenings watching his humming birds, the spring rain, and the sun setting on the mountains.

Bill was preceded in death by his parents. He is survived by his wife of 63 years, Joan Dalton Morris. He was very proud of his three daughters, Mickie Thompson (Gaylon) of Globe, Arizona, Jackie Mitchell (Dennis) of Spanish Fork, and Amy Morris (Annie Kitty) of Bremerton, Washington. He has seven grandchildren, six great grandchildren and many nieces, nephews, and many good friends. He was a wonderful husband, father, grandfather, great grandfather and will be sorely missed by his family.

The family would like to thank his home health care nurses, Kris Kropen, Dr. Rasmussen, and the staff at Central Valley Hospital.

Funeral services will be held Friday, Feb. 22nd at 11:00 am at the Eureka LDS Chapel. Family will greet friends on Thursday from 6 to 8 pm at the Brown Family Mortuary, 66 South 300 East, Santaquin and at Friday at the church from 9:45 to 10:45 am prior to services. Interment will be in the Spanish Fork Cemetery with military rites by the American Legion. Condolences and memories may be shared with the family at [www.brownfamilymortuary.com](http://www.brownfamilymortuary.com). Bill was a miner that found his wealth in his family.

## Billboards and Burma Shave

by Lin Vernon Floyd

According to [www.wikipedia.com](http://www.wikipedia.com): *Burma-Shave* was an American brand of brushless shaving cream, famous for posting humorous rhyming poems on small, consecutive highway billboard signs. Usually there were six little signs painted with red and white colors. The last sign always said *Burma-Shave*. Here's some examples....*No matter / How you slice it / It's still your face / Be humane / Use / Burma-Shave OR Your shaving brush / Has had its day / So why not / Shave the modern way / With / Burma-Shave OR Shaving brushes / You'll soon see 'em / On the shelf / In some / Museum / Burma-Shave*

As a child I never knew what *Burma Shave* was all about, but in writing this article I've come to understand more about the process of shaving. In my grandpa's youth there was no shaving cream available. He had a cup with shaving soap and a brush he

*Photo-My uncle Norman Johnson didn't stay long in the out-house in Silver City during the*

used to add water to the cup. Stirring the soap with his brush, he made lather to apply to his face. Evidently, this made the whiskers on his face softer and easier to cut. A new product was developed that eliminated the need for a brush and cup to make and apply lather. All you needed was a tube of *Burma Shave*. Squeeze some on your fingers, put it on your face then shave.

*Norm married and moved to San Francisco but he loved returning to Utah to visit his*

Then there were old fashioned razors-grandpa used a straight razor and sharpened it on a leather strap. Imagine what a handy invention it was when the first razor blades came along in the early 1900s. Making a safe, inexpensive and disposable blade was an idea developed by King Gillette. It took awhile for his idea to evolve and to be able to produce steel that was thin yet hard and inexpensive enough to be used for shaving. Soldiers during World War I were supplied Gillette safety razors and became converted to this new way of shaving. Progress was coming to the aid of American men.

## THE NEW STREET LIGHTS ARE IN

The lights have finally been installed thanks to the UDOT workers.

Many thanks needs to be extended to Doug Wright, Burt Brothers Tires, Harley Davidson of Salt Lake City, and Eureka City for putting forth such an effort to try and make our little town a better place.

This project has been a few years in the making, but it looks like the end is finally in sight.

## THS CHEER NEWS

I am so proud of the THS Cheer Squad this year! We have cheered at 28 games plus 3 girls state games and hopefully 4 boys!! (We are at state right now!) We traveled to 3 boys away games and 3 away girls games. We have overseen spirit week, preference week, and all state pep assemblies. For a 3 girl squad, we were awesome!

We brought back many traditions like the run through, standing for the school song, and throwing things to the crowd. We also made a few new traditions like cheering tunnels and the zombie nation chant.

Our teams represented well and we tried to show them how much we love them! The girls went to state and won a tough game in double overtime. The boys were at state when this article was written and won their first game! Way to go Miners!

Cheer qualifications have started and there are 13 girls hoping to cheer next year. Their paperwork is due March 11th. They have requirements to meet on April 1st and cheer qualifications in front of judges are April 4th at 4 pm. Come out and watch the new girls in action!

# Elks Fundraiser Successful in Raising Awareness and Money for the Utah State Veterans Home. (Again)

A big “Thank You” goes out to Robert Pagnani, Elks Veterans representative for the State of Utah. With the help of his wife and many other friends and volunteers, the first “Music from the Heart” fundraiser on February 16th was a

huge success. What hopefully will be the first of an annual event was attended by many locals in support of the new Veterans Home that will open in Payson in May or June of this year to serve the many Veterans and their families who reside primarily in the seven or eight counties that are considered central Utah. Many vendors attended the event, accompanied by music and continuous entertainment throughout the day.

Pulled pork sandwiches, were provided at no charge, but most contributed by way of a donation for the food and drink provided. The pork was graciously donated by Christiansen’s Family Farm of Vernon, Utah. Springville Meat also donated the cutting and wrapping of the pork. Businesses and individuals from around the state also donated numerous items that were raffled off to those lucky enough to have their name drawn.

Music and entertainment was provided by the Tintic High School Jazz Band, under the direction of Kodey Hughes, Old Time Fiddlers, Payson Cowboy Poets and local singers like Camille Humpherys.

Both opening and closing flag ceremonies were performed by the American Legion District Four Honor Guard. The VFW and the Diamond Fork Riding Club were also sponsors of this event.

With the support and help of the 13 Elks Lodges in Utah, the Elks had donated over \$12,000.00 before this event. When final numbers are provided, that number could be in the neighborhood of \$20,000.00. That alone would upgrade furnishings in each of 5 complete rooms at the 108 room facility.

Don Cole, a Veteran and his wife Jane Anne also presented a check at this event for \$4000.00.
