## FROM THE MAYOR

Mayor Patrick Dunlavy

I had the pleasure, along with some members of the City Council to attend the ribbon cutting for the new Library in Grantsville on Saturday, April 13th. It truly is a beautiful, exciting addition to Grantsville City. My sincere congratulations go out to Mayor Brent Marshall and the Grantsville City Council. I express my appreciation to the members of our Tooele City Council as well—for their vision of doing the right thing, for the right reason.

The agreement we entered into with the Grantsville officials, truly was the right solution to the ongoing lawsuit between the two cities. It happened because both sides put aside their feelings and made a decision that brought an end to years of bitter feelings that had gone on way too long. It goes to show, when you work together you can do wonderful

things.

Unfortunately, both sides need to be willing to make compromises for the good. When attempts have been made to negotiate the lawsuit with Tooele Associates, we did not succeed, not because we didn't try. We have made numerous attempts, since I took office, to reach an agreement. It truly is unfortunate that settlement talks were unsuccessful, in spite of the fact that we made so many attempts. Hopefully the suit will end soon. It has gone on way too long. It's very important each of you understands, we have made serious attempts to stop it. The decisions made during the course of this case have always been made to defend the City.

CELEBRATE WATER WEEK WATER IS LIFE

MAY 5 - 11, 2013 [www.waterweek.org](http://www.waterweek.org)

## WATER CONSERVATION SCHEDULE

**Area #1** All water users North of Vine and West of Main water Wednesdays and Saturdays.

**Area #2** All water users North of Vine and East of Main water Tuesdays and Fridays.

**Area #3** All water users South of Vine water Mondays and Thursdays.

**Outdoor watering is not permitted on Sundays.**

The City encourages residents not to water during the hottest hours of the day, typically between 10 am and 6 pm. This conserves water and reduces your water bills. If there are special circumstances that require a modified schedule for residents or businesses—such as newly planted sod or lawn, contact Tooele City at (435) 843-2150.

City parks and schools have been placed on a modified schedule because of the size of their lawn areas. While some parks and schools may be watering more than two days each week, a specific area of that park is only watered twice during the week.

Thank you for your help in conserving water, a precious resource.

**SUMMER 2013**

**Child ID Kit event with the Tooele City Police Department**  
 Saturday, May 18<sup>th</sup>, 2013 • Between 11:00 a.m. - 3:00 p.m.  
 Tooele City Library • There is **NO COST** for attending!

Every year in America, an estimated 800,000 children are reported missing. An analysis of attempted abduction cases by The National Center for Missing & Exploited Children® (NCMEC), found that in 84% of cases, the child escaped would-be abductors through their own actions. Teaching children about safety works. It saves lives! NCMEC, in partnership with the Tooele City Police Department will be observing National Missing Children's Day this year by participating in the national Take 25 child safety campaign. The campaign encourages parents to take 25 minutes to talk to their children about safety and ways to prevent abduction. Tooele City Police Officers will provide parents and children with Child ID Kits and information!
